## **WATER RATES**

### **LOUISVILLE WATER COMPANY LOUISVILLE, KENTUCKY**

#### **BOARD OF WATER WORKS RULES AND REGULATIONS**

##### **6.00 RATES**

**6.01** For the purpose of classifying revenues, and to provide for different classes of rates, there shall be established nine (9) classes of customers and one (1) service area.

The classes of customers shall be identified as:

- Residential
- Multi-Family
- Commercial
- Industrial
- Irrigation
- Fire Service
- Fire Hydrants
- Metro Government
- Wholesale

The area of service shall be identified as:

- Retail Service Area

**6.02** The rate charge for metered water service shall be comprised of three components, except for municipal customers and publicly owned fire hydrants as defined in KRS 96.270, who shall be served as provided therein at no cost to the customer:

- (1.) A service charge based on the size or a calculated equivalent of the meter through which the customer receives such service, and
- (2.) A commodity charge based on the amount of water consumed, and
- (3.) An elevated service area surcharge, if applicable, in Rule 6.02.03.

The service charge for metered water shall be pro-rated based on the number of actual days in a billing cycle.

**6.05** The Company reserves the right to negotiate and/or establish different rates, fees, and charges than as specified to encourage large water users to initiate new operations in the Company's service area, allow large existing customers to expand operations, and assist new wholesale customers to enter into purchase agreements. Negotiated rates, fees, and charges are subject to terms and conditions outlined in contracts, if applicable.

**6.06** At the Company's option, bills may be rendered monthly or bimonthly.  
 Errors identified on service charge or usage charges will be back billed and or refunded for up to two years from the date the error was identified. Sales tax corrections will be refunded in accordance with state regulations for refunding sales tax as stated in KRS 134.580(3).

Exceptions for back billing or refunding procedure must be taken to the Leak Adjustment Committee for review.

Section 6.06 does not apply to Wholesale customers. Billing issues are handled per individual Wholesale contract.

**6.07** In the event that payment for any charge is not made within twenty-one (21) days from the billing date, the amount of the water bill shall be increased by 5% and the gross amount thus determined must be paid.

**6.08** Where water is used without proper authorization, the estimated quantity of unmetered water used shall be paid for at the rate of \$10.00 per thousand gallons and a \$500 fine will be assessed.

**6.09** Water taken from a Louisville Water Company Public Fill Station shall be charged: \$2.50 per thousand gallons for all water purchased.

**6.10** Temporary services shall be charged at the rate of \$2.00 per day, plus water consumed at the applicable rate schedule using the commercial rate schedule.

**6.11** The 2023 System Development Charge, Service Installation Fees, and Account Charges shall be charged based on the following schedules:
